Subject: Request for Information Beverly Hills Aerials, LLC., FAA-2018-0768, response due 10-28-21

Dear Mr. Michael Izquierdo:

This is to inform you that the following information is missing from your petition (Docket No. FAA-2021-0746). This information is necessary for the Federal Aviation Administration (FAA) to process your petition as it relates to the National Environmental Policy Act (NEPA).

1. What is the location of the operation (provide a map printout or coordinates for the boundaries)?
2. Approximately how many operations per day/year are expected to flown? Is each operation a round trip or a one-way flight per day?
3. What are the operating hours in a typical day at the location?
4. What type(s) of aircraft will be used? What is the aircraft's maximum weight?
5. What altitudes will the aircraft be operating at for cruise and deliver?
6. Are there any historic/tribal properties, neighborhoods, schools, parks, wildlife or protected natural areas below or adjacent to the area of operations?
7. Is there a possibility that the operations could cause significant public controversy in the area?
8. Is this a type of operation that would typically be conducted by a larger manned aircraft or ground vehicle?
9. Has any public outreach been accomplished already (describe)?

Please submit the additional information (non-proprietary) as a comment to your docket at www.regulations.gov, and save the tracking number generated after submission. Proprietary information may be submitted electronically to Jake Troutman and Michele Cappelle at Jake.Troutman@faa.gov and Michele.cappelle@faa.gov, respectively.

If you want us to process your request any further, we must receive the information described above by October 28, 2021. If we do not receive the information, we will close the docket without notifying you further. If you're unable to comply with the stated date, please notify us on or before October 28, 2021, that you need additional time to submit the requested information.
